- 3) The staff member must discuss this with their line manager immediately.
- 4) The Line manager contacts and escalates the concern immediately to Staffordshire council Safeguarding Adults Team.
- 5) A notification is made to the CQC via the provider portal.

All staff engaged with providing services at VANTAGE HEALTH PROTECTION LTD will be subject to thorough and rigorous recruitment procedures that will include a DBS check, identity check, confirmation of validity to work in the UK, employment history, suitability for the role and references. This will minimise the chance of employing a person that has been, or is subject to, slavery or human trafficking. If a member of staff is unsure about whether a particular act, the treatment of workers more generally, or their working conditions within any tier of the supply chain of VANTAGE HEALTH PROTECTION LTD constitutes any of the various forms of modern slavery, they should raise it with the Director and support worker of VANTAGE HEALTH PROTECTION LTD.
